

3 DAYS 2 NIGHTS

BALI ISLAND VILLAS & SPA

Bali Island Villas & Spa, located within the vibrant pulse of Seminyak, is a private complex of 10 self-contained luxury villas. Although very much a part of Bali's most cosmopolitan district, the villas remain a calming niche ideal for a relaxing break. While deviating architecturally from what is considered typically Balinese, the villas still feature plenty of elements that reflect local culture. Bali Island Villas & Spa respect the natural surroundings in a concept that has evolved to embrace the future. Each villa makes a daring statement through colour and aesthetic design to create an atmosphere that meets the expectations of the modern traveller.
