

HONEYMOON KRABI

4 DAYS 3 NIGHTS SUNDA RESORT

from

RM 1599
PER COUPLE

Krabi is a southern province on Thailand's Andaman seaboard with perhaps the country's oldest history of continued settlement. After dating stone tools, ancient colored pictures, beads, pottery and skeletal remains found in the province's many cliffs and caves, it is thought that Krabi has been home to Homo Sapiens since the period 25,000 - 35,000 B.C. In recorded times it was called the 'Ban Thai Samor', and was one of twelve towns that used, before people were widely literate, the monkey for their standard. Kayaking, sailing, birdwatching, snorkeling are also among top activities. In the interior, two predominantly mainland national parks, Khao Phanom Bencha and Than Bokk-horani, offer inland scenic attractions including waterfalls and caves, and opportunities for trekking, birdwatching and eco-tours
